 Come to Red Cloud April 20th and be the guests of some of our foremost merchants who are giving away, absolutely free, a new five-passenger Overland automobile. As a further inducement for you to be present on this day they have so arranged that there will be free motion picture shows at both the Orpheum and Tepee from 9 a. m. to 1 p. m. as well as a big, free open air band concert by the Red Cloud Concert Band of twenty pieces from 2 to 3 p. m.  
 Manager Geo. Warren is supervising what he terms "spring house cleaning" around the Tepee. It would be a hard matter for us to enumerate the many improvements which have been made, but a visit to the Tepee will convince you that it has been altered in such a way as to present a real civilized appearance and is now as modern and up-to-date as any motion picture theatre to be found in the state. Manager Warren has a way of doing things in the best possible manner and no doubt this is the way he has gained his reputation as being the "Deacon" of Nebraska.
